

## CMS Christmas Food Drive- Covid Safe

CMS would like to assist families in Steinbach as we are all preparing for a Christmas like no other any of us has ever experienced. To do this, CMS requests your help as we collect non-perishable food items and toiletries for [Steinbach Community Outreach](#). We will be collecting these donations during the week of Monday, November 23 - Friday, November 27th . The collection will be done safely with minimal contact. Items can be dropped off in your cohort bin found in each neighbourhood. We will also have a bin located by the office.

Prizes will be awarded for cohorts with the most items in their bin!

The following are ideas of what can be brought in:

**Non-perishable food** - items such as soup, pasta, rice, cereal, coffee, tea, juice, canned fruit or vegetables, pickles, applesauce, pasta sauces, crackers, cookies, boxed Jello or pudding, etc...

**Toiletries** - such as soap, shampoo, toothpaste, toothbrushes...

**Thank you very much for your support**
