

CMS Fall Food and Toiletries Drive

The Grade 5 Mini-MAC team is working together to help *Steinbach Community Outreach*.

We are doing a toiletries, winter mittens and toilet paper drive. We will be collecting these donations during the week of November 22- 26. Items can be brought to CMS and placed in your neighbourhood hamper or in front of the office.

To make it a little more interesting and focused on various items, we have broken down the needs to specific days, but feel free to donate whatever and whenever you are able to.

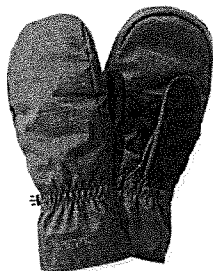

Monday- toiletries such as soap, bodywash and shampoo

Tuesday- toothpaste, toothbrushes

Wednesday- dish soap and laundry soap

Thursday- warm, waterproof mittens or gloves

Friday- toilet paper (we would love to each class to build a toilet paper tower)

Thank you very much for your support!
