

Bus Drivers Needed for Hanover School Division

Hanover School Division is looking to hire additional bus drivers.

These positions would start off on the spare list - casual, then when routes open up - full time positions might be available to them.

We provide all the training for free with applicants only required to provide a few items for a small fee.

If you are interested, please email Robert @ rwarkentin@hsd.ca or call our office @ 204-320-2347 for more information. You may also go to www.hsd.ca and look under the "Employment" tab, then under "job openings" and on the left side is a link to the transportation application form.
