jeunesse**

## Greetings to all Parents/Guardians,

Summer has finally arrived! Over the past 3 years, the [Manitoba Construction Sector Council \(MCSC\)](#) has been offering summer camps to youth within our communities in partnerships with local organizations and with [Kids Code Jeunesse \(KCJ\)](#). As this has been a huge success in past summers with outreach organizations, we are extending the invite to all school division students in the City of Winnipeg.

## What is it?

Building & Gaming online workshop series: **construction2code** – Students will be introduced to beginner/intermediate – friendly coding skills using the drag-and-drop BLOCK coding platform [Scratch](#). Skills learned in this series will lay a foundation and prepare students to construct their own interactive & creative games in the future. Students, grab your hard hats and hammers to get building! This 3-day series will take us to the construction site where we'll get our safety gear on, hammer some nails, cut some wood, and crush virtual rocks.

This is a small group activity with a maximum of participants and a live-facilitator. The same group will meet for all 3 days to encourage team-building and a feeling of connection.

The MCSC will cover the costs and the use of computers for this two hour per day, three-day SCRATCH Block Coding camp. Snacks and refreshments will be provided to all students that attend in person.

## When is it?

July 19<sup>th</sup>, 20<sup>th</sup> and 21<sup>st</sup> from 9:00am – 11:00am with breaks, healthy snacks and refreshments included.

July 26<sup>th</sup>, 27<sup>th</sup> and 28<sup>th</sup> from 9:00am – 11:00am with breaks, healthy snacks and refreshments included.

## Where is it?

1000 Waverley Street – Unit-C → PC Lab Room 102 (preferred)

Or

Virtually in the comfort of your own home

## Benefits from this FREE camp will include:

- ✓ Students' knowledge of Scratch Block coding
- ✓ A gift bag filled with goodies for all students
- ✓ A fun 3-day interactive virtual experience with contests and prizes
- ✓ Career awareness in construction and technology
- ✓ Continuous access to Scratch Block coding accounts and projects even after camp ends
- ✓ Certificate of completion

### What is it?

Click SCRATCH Cat to see brief video and to find out more →

As the MCSC looks to expand and extend our community relationships, we are reaching out to all the parents in all school divisions in Winnipeg. If you are interested in a free coding camp for your child or children this summer, please contact us to register.
