

CMS Winter Drive

The Grade 5 Mini-MAC team and our CMS Families are working together to help **Steinbach Community Outreach**. During the week of **November 28- December 2** we will be collecting canned food, cereal, toilet paper, winter gear and new toys.

Items can be brought to CMS and placed in your neighbourhood hamper or in front of the office.

To make it a little more interesting and focused on various items, we have broken down the needs to specific days, but feel free to donate whatever and whenever you are able to.

Monday- Canned food / Cereal

Tuesday- Toilet Paper

Wednesday- Toiletries

Thursday- New winter gear or gently used – mitts, tuques, boots, jackets, snow pants

Friday- New toys for all ages

Thank you very much for your support!
